APPLICANTS' RESPONSE TO OFFICE
COMMUNICATION OF 6/17/02

Commissioner for Patents
Washington, DC 20231

Sir:

This paper is being filed in response to the Office communication mailed June 17, 2002 in the above-referenced application, which stated that corrected drawings were to have been submitted in response to the Office action dated December 28, 2001. Inadvertently, no such corrected drawings were filed with the Applicants' Amendment and Response on March 28, 2002 (Paper #9).

Therefore, the Applicants are submitting herewith a complete set of corrected drawings (Figures 1-6) in response to the objections raised in Form PTO 948. The Applicants deem that the corrected drawings should meet all necessary requirements, and no new matter is filed being filed herewith. A copy of the Office communication and "Notice of Draftsperson's Patent Drawing Review" is also enclosed for the convenience of the Examiner.

The Examiner is invited to contact the undersigned at the telephone number listed below if anything further is required or if there are any questions remaining regarding these corrected drawings.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN

The communication in Paper # 9, filed on 4/3/02, is non-responsive to the prior office action, mailed 12/28/01, because of the following reason:

The previous Office action requires that corrected drawings be submitted in response to the Office action according to the rule changes. See page 3. However, no such corrected drawings were filed with Paper #9. Applicants are still required to submit the corrected drawings in response to this Office action.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a time limit of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this letter, whichever is longer, or as extended as follows. AN EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.
